

Are you right for "The Medicare Whisperer" TM Team?

Our team is growing again, and we are adding a producer.

This producer will learn our way of educating prospective clients about the basics of Medicare and recommending coverage options specifically related to the client's unique situation.

The producer will also be responsible for conducting annual Medicare reviews for our existing client base.

Minimum of 2 years of current verifiable insurance experience is required and current, valid insurance licenses for Missouri and Kansas.

No candidates with agency/company debit balances, open chargebacks, or VECTORS will be considered.

Contracts must be free and clear and available for transfer.

Must have current AHIP and FFM certifications prior to starting. AHIP and FFM expense reimbursement is available based on production.

This is a W-2, base plus commission position.
