To Whom It May Concern:

My name is Jon Parmentier and I am the owner of I-70 Auto Body in Wentzville, MO. I have been doing business with Midwest Agency for 7 years and would like to provide my professional recommendation.

During the past several years, Midwest Agency has guided me through this continuously changing insurance world. All of our experiences have been positive. They have gone above and beyond to try to keep my premiums affordable while making sure my employees' needs were not compromised. When any of my staff has a question, Jacqueline and Frank are always there to explain and help in any way possible. As a business owner, it is important to have a competent and dependable company to deal with these issues on my behalf and I trust Midwest Agency with all of my insurance needs.

I am confident that your business will be treated in the same professional manner that mine has. Please feel free to contact me with any questions you may have.

Sincerely,
