

Millions of people lose their identities every year.

Don't be one of them.

Identity theft has been one of the top consumer complaints filed with the FTC for 16 years straight. Victims are spending an exorbitant amount of time and money dealing with it. The criminals are getting smarter. That's why you need identity theft protection that's more than a website. Our Licensed Private Investigators will do whatever it takes for as long as it takes to restore your identity to its pre-theft status. You have our \$5 million service guarantee.

I received exceptional service. The advice I received resulted in removing a fraudulent error from my credit record and increasing my [credit] score from 742 to 834."

IDShield member - N.L. from Texas

Monitor more of what matters

We monitor your identity from every angle, not just your Social Security number, credit cards and bank accounts. If any change in your status occurs, you receive an email update immediately.

Counsel when you need it

Our identity specialists are focused on protecting you. They are available to provide you with a complete picture of identity theft, walk you through all the steps you can take to protect yourself and answer any questions. Plus, they are available 24 hours a day, every day, in the event of an identity theft emergency. We're always here to help, no matter what.

Restore your identity completely

IDShield is the only company with an exclusive partnership with Kroll, the worldwide leader in theft investigative services. If a compromise occurs, contact your Licensed Private Investigator who will immediately begin restoring your identity to pre-theft status.

IDShield Family

This plan covers you, your spouse or domestic partner and up to 8 dependents.

IDShield Individual

This plan covers you, the named member, only.

	IDShield
Individual	9.95

IDShield

Identity Consultation Services

Members have unlimited access to identity consultation services provided by Kroll's Licensed Private Investigators. The Investigator will advise members on best practices for identity management tailored to the member's specific situation. Consultative services include:

Privacy and Security Best Practice

- Consult on best practices for the use and protection of a consumer's Social Security number and Personal Identifying Information (PII)
- Provide consultation on current trends, scams and schemes related to identity theft and fraud issues
- Discuss best practices for financial transactions, online activities and consumer privacy
- Provide the knowledge to best protect the member from identity theft and to be aware of their rights under federal and state laws
- Help members interpret and analyze their credit report and take steps to reduce pre-approved credit offers
- Consult with members regarding a public record inquiry, background search or credit freeze

Event-Driven Consultation Support

- Lost/stolen wallet assistance
- Data Exposure/Data Breach
- Safeguards

Alerts and Notifications

- Monthly identity theft updates to help educate and protect
- Data breach notifications

Consultation Services are limited to the solutions, best practices, legislation, and established industry and organizational procedures in place in the United States and Canada as determined beneficial or productive by a Kroll Licensed Private Investigator.

Privacy Monitoring

Black Market Website Surveillance (Internet Monitoring)

Monitors global black market websites, IRC (internet relay chat) channels, chat rooms, peer-to-peer sharing networks, and social feeds for a member's Personally Identifiable Information (PII), looking for matches of name, date of birth, Social Security number, email addresses (up to 10), phone numbers (upto 10), driver's license number, passport number and/or medical ID numbers (up to 10).

Address Change Verification

Keeps track of a personal mailing address

and alerts when a change of address has been requested through the United States Postal Service.

Social Media Monitoring

Allows you to monitor multiple social media accounts and content feeds for privacy and reputational risks. You can set up monitoring for your Facebook, Twitter, LinkedIn and Instagram accounts to receive reports and alerts for content items such as image captions, posts, and comments. You will be alerted to privacy risks like the exposure of personally identifying information, including street address, date of birth, or Social Security number. Social Media Monitoring also searches for content that has the potential to create reputational risks, like foul language, drug and alcohol references, or discriminatory terms.

Security Monitoring

Black Market Website Surveillance (Internet Monitoring)

Monitors global black market websites, IRC (internet relay chat) channels, chat rooms, peer-to-peer sharing networks, and social feeds for a member's Personally Identifiable Information (PII), looking for matches of Social Security number, credit card numbers (up to 10) and bank account numbers (up to 10).

Court Records Monitoring

Detects criminal activity that may be associated with an individual's personal information, alerting them to signs of potential criminal identity theft.

Credit Monitoring

Members have access to continuous credit monitoring through Experian only. The credit monitoring service will alert members to activity up to and including new delinquent accounts, fraud alerts, improved account, new account, new address, new bankruptcy, new employment, new account inquiry, card over limit, deceased, liens and judgements, lost or stolen cards, major derogatory, new unconfirmed address, settlement, skip cannot locate, and new public records.

Credit Inquiry Alerts

Members will be notified via email when a creditor requests their Experian credit file for the purposes of opening a new credit account. Alerts may also be triggered when a creditor requests a member's credit file for changes that would result in a new financial obligation, such as a new cell phone account, a lease for a new apartment, or even for an application for a new mortgage.

Monthly Credit Score Tracker

A monthly credit score from Experian that plots the member's score month-by-month on a graph.

Payday Loan Monitoring

Alerts the subscriber when their personal information is associated with short-term, payday, or similar cash-advance loans.

IDShield Vault

Members have access to a password manager as a part of their IDShield service. Members will be able to access a separate IDS Vault Dashboard where they will be able to store and manage their passwords as well as generate new, strong passwords.

Minor Identity Protection (Family Plan only)

Allows parents/guardians of up to 8 dependents under the age of 18 to monitor for potential fraudulent activity associated with their child's SSN. Unauthorized names, aliases and addresses that become associated with a minor's name and date of birth may be detected. The service monitors public records in all 50 States and including; real estate data, new mover information, property and recorder of deed registration, county assessor/record data, internet job site providers, state occupational license data providers, voter information, public records/ court proceedings, bankruptcies, liens, and judgements. Parents/ Guardians are provided a baseline scan, subsequent alerts and notifications thereafter.

Identity Restoration

Kroll's Licensed Private Investigators

perform the bulk of the restoration work required to restore a member's identity to pre-theft status.

IDShield Service Guarantee

We don't give up until your identity is restored.

We're confident in our ability to help protect your identity, but no one can prevent all identity theft. If you become a victim of identity theft while an IDShield member, we'll spend up to \$5 million using Kroll's industry-leading Licensed Private Investigators to do whatever it takes for as long as it takes to help recover and restore your identity to its pre-theft status.

Purchase of IDShield requires member to have a valid email address.

The following are excluded from the Services: Legal Remedy—Any Stolen Identity Event where the member is unwilling or unable to prosecute or otherwise bring a civil or criminal claim against any person culpable or reasonably believed to be culpable for the fraud or its consequences. Dishonest Acts—Any dishonest, criminal, malicious or fraudulent acts, if the member(s) that suffered the fraud personally participated in, directed or had knowledge of such acts. Financial Loss—Any direct or indirect financial losses attributable to the Stolen Identity Event, including but not limited to, money stolen from a wallet, unauthorized purchases of retail goods or services online, by phone, mail or directly. However, individuals who have merely experienced the loss or unauthorized exposure of personal identifiers, including credit or debit card data, such as a data breach event, with no indication of actual misuse or identity theft resulting from that event, are not subject to the Prior Misuse exclusion hereunder. Business—The theft or unauthorized or illegal use of any business name, DBA or any other method of identifying business (as distinguished from personal) activity. Third Parties Not Subject to U.S. or Canadian Law—Restoration services do not remediate issues with third parties not subject to United States or Canadian law that have been impacted by an individual's Stolen Identity Event, such as financial institutions, government agencies, and other entities.
