Letter of Recommendation

Dear Sir/Madame,

We have been very pleased with the insurance products Drexel Mixson has selected to be the best for our business objectives.

Before consulting with Drexel we had an HSA plan. As a result of the Affordable Care Act, our premiums increased over 70%. Drexel found us a plan that not only brought the premiums back to where we were, we were able to increase employee coverage. And that is not all, we are getting a refund of approximately \$16,000 this month from this same insurance policy. We also have added vision care policy through Drexel.

We highly recommend Drexel Mixson to assist you in finding the best insurance for your business objective.

Very truly yours,

Margaret McLaughlin, CPA
