Re: Drexel and Associates

Dear Sir/Madam:

I am writing this letter of referral at the request of Drexel Mixson of Drexel & Associates. I have been working with his office since 2011. Drexel continues to amaze me with his knowledge of the insurance industry. Mr. Mixson handles all of my personal and professional insurance needs. I am always pleased with his work and as a result have been referring my own clients to his office for assistance with their personal and professional insurance needs.

Going the extra mile and taking the extra time needed to answer all questions is simply a part of Mr. Mixson's tireless work ethic. He is even helping one of my employees understand the Affordable Care Act for her mother who is a senior citizen and on medicare. His knowledge of health (including the Affordable Care Act), life, auto, home, general liability and professional liability has been an asset to me personally as well as to my business, and even my employees. I count myself lucky to have found someone so dedicated.

Sincerely,

Angie D. Knight, Esq.
