Dear Drexel,

I wanted to let you know how pleased we are with the insurance changes that we made. I cannot believe that we are saving \$12,680 a year and our coverage is better than we ever expected. Carolina Care Plan was definitely the right health coverage for our company, and The Hartford has been great with our Professional Liability and E&O.

You have been such an amazing help explaining the policies and you have answered every question or concern that we have had. Thank you so much for all the time and hard work you put into helping us.

Sincerely,

Amanda Dickson
Office Manager
