Robert Slayton & Associates, Inc. Hosting Breakfast with your Broker

Naperville, IL– As part of a state wide effort to reach out to individuals who need help with choosing an individual health insurance plan, Robert Slayton & Associates, Inc. will be hosting Breakfast with your Broker on Thursday, November 5th from 9 am to Noon at their office in Naperville.

“Open enrollment started on November 1st and there have been huge changes by Blue Cross Blue Shield and other insurance companies. People need help and Brokers are the ones who understand the market best,” said Robert Slayton, president of the company.

Robert went on to say, “Brokers don’t charge for their advice either. They are compensated by the insurance company. The rates and plans and subsidies are exactly the same, so why wouldn’t you want an expert in your corner.”

Weekend drop in hours will also be starting on November 7th from 9 – 11 am. Check their website for a schedule.

Their office is located at 1979 N Mill Street, Suite 205, Naperville, IL 60565 in the northwest corner of Mill St. and Diehl Streets.
