Dear Drexel:

This letter is to let you know that we are very happy with the insurance that you have supplied for us. Carolina Care Plan, (Medical Mutual), and our bridge to access, Colonial Life has been the best plan I have seen in a long time. Both insurances are reasonably priced and claims are processed in a timely and accurate manner. But most of all has saved the company a lot of money.

You have been an awesome agent. I have no trouble reaching you. You return calls and emails right away. The knowledge you have about insurance has helped me tremendously in my position as administrator and I do appreciate you answering the many questions I have had over the past two years.

Thank you again Drexel.

Sincerely,

A handwritten signature in cursive script that reads 'Sandra L. Keefer'.
